

Dr. Mehi Lal
Principal Scientist, (Plant Pathology)
Division of Crop Protection
ICAR-CPRI RS, PO Modipuram
Meerut-250 110 (Uttar Pradesh)
E-mail: mehilalonline@gmail.com
Mob. No. 95574-06320

Dr Mehi Lal is a principal scientist at ICAR-Central Potato Research Institute, Regional Station Modipuram Meerut, and acquired his PhD degree from ICAR-IARI New Delhi. In the last 16 years, he has been working on potato pathogens characterization, epidemiology, diagnostics and management. He standardized doses/efficacy of many chemicals for late blight and black scurf management and developed many spray schedules for late blight management. He had been involved in developing seven potato varieties and twelve germplasms. He was also a member of the various state-level committees related to potato issues. He received the Nanaji Deshmukh ICAR award for Outstanding Interdisciplinary Team Research in Agricultural and Allied Sciences (2015–16). He has published 89 research papers, 22 book chapters, and 47 abstracts in national and international conferences, 41 popular articles, 2 e-publications, 4 technical bulletins, and 2 training manuals. He is a life member of many agricultural research societies. Besides, he also guided 12 MSc students for their theses and project works.
