

IPA BEST PAPER AWARD

Normally only full papers published in a particular volume of an year in *Potato Journal*, are considered for the award. The paper may be on applied or basic aspects or dealing with development of new techniques or concepts. If the papers are published in a series, each paper is to be considered on its own merit.

Following criteria is followed for Judging the best paper:

- (a) Originality, reliability and objective of the research findings.
- (b) Significance of the findings.
- (c) Methodology used.
- (d) Presentation of the paper.

The award is given every year and only one paper is considered for the award. The award consists of a certificate and a 'Gold Plated Medal'. In case of joint papers, every author is awarded with a certificate and a medal. The award is effective from 1994.
